**FFCC Family:** In an effort to keep everyone safe, we appreciate your cooperation with the Nurses Ministry while they administer temperature checks. While we are currently facing Covid-19 and the flu season, members are asked to stay at home when feeling ill.

**On November 14<sup>th</sup>** FFCC will celebrate its 21<sup>st</sup> Anniversary. In celebration, we have established a fundraising project that will bless others who are less fortunate. There are some people who recently lost everything they owned and we would like to bless them. By the grace of God, we were spared from that loss. Let's be givers! Each member is asked to make a contribution above your tithes & offering of one of the following amounts: \$20.21, \$202.10, or \$2021.00. Contribute today. Let's be a blessing!

Daylight Savings time ends at 2:00 AM on Sunday, November 7<sup>th</sup>. Don't forget to set your clocks back one hour.

October is Breast Cancer Awareness Month. Physical activity can help you maintain a healthy weight, which helps prevent breast cancer. Most healthy adults should aim for at least 150 minutes a week of moderate aerobic activity or 75 minutes of vigorous aerobic activity weekly, plus strength training at least twice a week. It is important that you have breast cancer screenings regularly. If you need help paying for a mammogram, the Center for Disease Control and Prevention has no-cost and sliding-scale programs. Find a free/low-cost breast cancer screening program at: <http://www.cdc.gov/cancer/nbccedp/>
