

SUNDAY, OCTOBER 16th, 2022

Continue to pray at 6AM, 12 noon, 6PM and midnight.

Children's Church is open today.

Parents, the Youth Department has begun working on the Christmas Program. Please bring your children to Children's Church on the 2nd and 3rd Sundays in October and November in order for them to receive their assignments. We are planning a special presentation this year. You won't want your kids to miss out!

FFCC Members: Please use the purple envelopes for your Anniversary Offering only. All other FFCC offerings should go in the gold envelopes. Thank you.

Please plan to participate in our 22nd Anniversary fundraiser. If you have not already done so, please pick up a pledge card and be in prayer about your level of commitment to this effort. We will celebrate our efforts on November 13th.

What is the Male Breast Cancer Study?

Breast cancer in men is very rare, but around 370 men are diagnosed with the disease every year in the UK, and around 80 men die.

The Male Breast Cancer Study was established to pinpoint the precise genetic, environmental and lifestyle causes of breast cancer in men, which will enable us to identify those who are at risk and understand what can be done to lower the chances of developing the disease.

The study also aims to identify similarities and differences between breast cancer in men and women.
