FFCC, continue to pray: But truly God has listened; he has attended to the voice of my prayer. Psalm 66:19

Children's Church is open today for all children ages 3 and up. We will have bible lessons, snacks, and activity time.

The Children's Choir Ministry (Warriors for Christ) is in need of additional youth between the ages of 5 and above. Parents, please contact Sis. Gloria Ridgeway at 916-370-5976 if you are interested in having your children participate in the choir.

What are the symptoms of breast cancer?

Signs and symptoms of breast cancer include:

1. A lump or swelling in the breast, upper chest or armpit
2. A change to the skin, such as puckering or dimpling
3. A change in the color of the breast – the breast may look red or inflamed
4. A nipple change, for example it has become pulled in (inverted)
5. Rash or crusting around the nipple
6. Unusual liquid (discharge) from either nipple
7. Changes in size or shape of the breast

On its own, pain in your breasts is not usually a sign of breast cancer. But look out for pain in your breast or armpit that's there all or almost all the time.

Although rare, men can get breast cancer. The most common symptom of breast cancer in men is a lump in the chest area.
