There are several options for giving at Faith Fellowship. You may give in person, via mail, by Givelify (on-line giving) or by scanning the QR code above. Try it! God has a blessing for you.

Educators in Santa Rosa, California, first celebrated Women's History Week in March 1978 to increase awareness of women's contributions to society. Organizers selected a week in early March to correspond with International Women's Day on March 8. Over the next several years, other cities across the country joined Santa Rosa in celebrating Women's History Week.

In 1980, U.S. President Jimmy Carter declared the week of March 8 National Women's History Week, urging everyone in the United States to participate. According to Carter, "too often the women were unsung and sometimes their contributions went unnoticed. But the achievements, leadership, courage, strength, and love of the women who built America was as vital as that of the men whose names we know so well."

The week-long event officially became a month-long one in 1987 when Congress passed a resolution designating March as Women's History Month. Women's History Month has been celebrated in the United States every March since.
